

Basic Detail Report

Mail Collar

Date

possibly 1800s, with earlier components

Primary Maker

Rajasthani

Medium

iron and brass

Description

Fine mail of riveted alternating with punched links, with brass links interspersed in "Ganga-Jamni" effect. Shape is asymmetric. Mail on 3 triangular points joined to main strip by brass links. Fragment

of modern fabric stitched to links at one end. Brass rings possibly modern, or at least more recent than the iron mail. Appears to have been modified at some point.

Dimensions

27 x 36 cm (10 5/8 x 14 3/16 in.), 6 oz (weight)
